Attached are the final additions to my previously approved book *From the Company of Shadows*. The final changes are attached.

(b)(3) NatSecAct

[redacted] contains previously redacted and approved chapters, but I am resubmitting them as part of this manuscript for approval. New additions to Chapter 17 "The Rise of Al Qaeda" are also attached, including a new graphic of Al Qaeda's structure. Finally, I have attached changes to the Acknowledgements and Author's Note sections and added Appendix 1 and 2.

Thanks,
